FYI, SC will be coming back in the very near future. With that being said SC will move slowly with bringing in programs along the way. Starting this month Grief Awareness (additional information to follow). For all that we have endured during this pandemic, and the number of residents we've lost this group will give you the opportunity to understand grief and ways to possibly overcome. Sign up sheets for any programs as scheduled will be posted on the bulletin board. Remember to continue to wear your masks and practice social distancing.
